

Responding to Domestic Violence with a Trauma-Informed Lens for GP's and Primary Care Providers

WHEN Monday, May 2nd 2022
6:30 PM – 8:30 PM

WHERE Online

COST Free

The Safer Families Centre is leading The Readiness Program, a national domestic and family violence (DFV) training program for primary care. As part of The Readiness Program series, Blue Knot Foundation is bringing you the latest in trauma-informed awareness and support for general practitioners and primary care providers to recognise complex trauma and its possible health presentations.
