NSW Rural Doctors Network (RDN) and the Australian Association of Practice Management (AAPM) are thrilled to invite rural practice managers to join us at the highly anticipated Rural Practice Managers Conference, taking place on Wednesday 22 - Thursday 23 November at the Crowne Plaza Coogee Beach.

Following the incredible success of last year's inaugural event, this year's conference promises an even more exciting and enriching experience. Our carefully curated program will combine top-notch, rural-focused education sessions with ample opportunities for you to reconnect with peers and recharge your professional spirit.

You won't want to miss our exclusive practice manager specific networking event, where you can mingle and exchange ideas with like-minded professionals - and as the event is part of Rural Health Month, we're thrilled to offer you the chance to join a multidisciplinary networking event, providing you with even more opportunities to expand your professional network.
