

SafeScript NSW (Real Time Prescription Monitoring System) is Coming - Rural Session

WHEN Monday, November 8th 2021
6:30 PM – 8:00 PM

WHERE Online

COST Free

SafeScript NSW provides prescribers and pharmacists with real-time information about a patient's prescribing and dispensing history for certain high-risk medicines, known as monitored medicines. This information helps to improve clinical decision making and help keep patients safe.

SafeScript NSW will be available to prescribers and pharmacists in Hunter New England and Central Coast regions from late October. Learn about the benefits of SafeScript NSW and how the system is intended to be used
