

SafeScript NSW Webinar: Managing NSW Approvals for treatment under the Opioid Treatment Program (OTP)

WHEN Wednesday, March 6th 2024
7:00 PM – 8:00 PM

WHERE Online

COST Free

You're invited to join us for an interactive webinar to learn more about SafeScript NSW and how you can use it when managing treatment under the Opioid Treatment Program (OTP). Prescribers can now use SafeScript NSW to manage their applications for approval to prescribe or supply Schedule 8 medicines online (where approvals are required under the Poisons and Therapeutic Goods Act 1966).
