

> Same care everywhere? Far from it!

WHEN Tuesday, February 2nd 2021
12:30 PM – 2:00 PM

WHERE Online

COST Free

All Australians deserve safe, high-quality health care, so why don't they get the same care everywhere? Learn more about the causes of healthcare variation, how data about healthcare variation can improve health outcomes, and what it means for health service leaders, clinicians, consumers and the health system.
