

# SHINGRIX: shingles prevention 'in-practice' for nurses

**WHEN** Tuesday, March 22nd 2022  
7:00 PM – 8:30 PM

**WHERE** Online

**COST** Free

GSK invite you to a live educational webinar on Tuesday 22 March. The expert speaker panel will discuss herpes zoster (shingles) and its prevention with SHINGRIX (Recombinant Varicella Zoster Virus glycoprotein E antigen (AS01B adjuvanted vaccine)), a non-live shingles vaccine currently available in Australia.
