The NSW Ministry of Health is currently seeking Expressions of Interest (EOIs) from General Practitioners (GPs) to participate in the State-wide Paediatric Diabetes Forum. Interest for further involvement in the model of care development will be sought at the forum.

Primary roles of the GP representatives attending the State-wide Paediatric Diabetes Forum will include:

- Provide a voice and represent interests of GPs
- Raise considerations for the State-wide Paediatric Diabetes model and associated resourcing in terms of GP practices and processes to support the development and implementation of a state-wide model of care
- Advocacy of Paediatric Diabetes Care

Remuneration for GP representation at the State-wide Paediatric Diabetes Forum is available.
