

Tackling Stigma Conference - Call for Abstracts, Scholarship Applications and Registrations

WHEN Starts: Thursday, November 21st 2024 at 8:30 AM
Ends: Friday, November 22nd 2024 at 4:00 PM

WHERE Australia

COST \$200-\$440

Tackling Stigma Conference will focus on cross cutting approaches to understanding and addressing stigma, promote conversations and debate regarding systemic and structural issues that contribute to experiences of stigma in health care settings, and discuss novel strategies to overcome stigma as a barrier to health care. Along with international and domestic keynote speakers, concurrent presentation sessions, a speed networking event, and an evening function, the conference will have a panel discussion that will include people with lived experience and cover a range of issues which address intersectional stigma and how that impacts health care access and uptake. The Call for Abstracts, Scholarship Applications, and Registration for the Tackling Stigma Conference are now open.
