

# Turning the tide for CKD in T2D

**WHEN** Monday, August 22nd 2022  
6:30 PM – 8:00 PM

**WHERE** Australia

**COST** Free

You are invited to join us for a face-to-face meeting featuring the globally recognised endocrinologist, Prof Serge Jabbour (US). Commencing with a challenge to clinicians on the urgency of screening and treating CKD as part of a re-focus away from glycaemic targets to cardiorenal outcomes based treatments. Followed by an engaging presentation on the translation of DAPA-CKD evidence into Australian clinical practice and concluding with an expert panel discussion and Q&A.
