Understanding My Health Record and patient privacy

WHEN   Thursday, July 27th 2023
11:00 AM – 11:30 AM

WHERE   Online

COST   Free

How do you feel about talking to your patients about My Health Record? Do you know how they can easily access it on their own and what information can be uploaded by your organisation? This session will help you understand how patients can control access to their My Health Record, what information they can view and build your confidence in responding to patient questions.
