

Using the Emergency Access function in My Health Record

WHEN Thursday, August 10th 2023
1:00 PM - 1:30 PM

WHERE Online

COST Free

Have you been contacted about your use of the emergency access function? This webinar will go through your obligations, discuss when you can use emergency access, what a locked record looks like and the records you need to keep. Session outline:

- Emergency access function - When emergency access can be used
- What you see when an individual has a locked record
- Entering a locked record
