

What are “living guidelines” and how are consumers involved?

WHEN Tuesday, April 27th 2021
12:00 PM – 1:00 PM

WHERE Online

COST Free

Hear from a panel with expertise, and experience of living with, and caring for someone, with COVID-19. This presentation and panel discussion features the National COVID-19 Clinical Evidence Taskforce which brings together 32 peak health professional bodies from across Australia.

Each week, more than 250 Taskforce contributors work together to find new research and quickly incorporate that research into national, evidence-based guidelines for the clinical care of Australians with COVID-19.
