

Workplace Mental Health: A focus on prevention and early intervention

WHEN Wednesday, March 15th 2023
12:00 PM – 1:00 PM

WHERE Online

COST Free

Exploring the recently released report, 'Mental Health and the Workplace' by the Committee for Economic Development of Australia (CEDA), this webinar will highlight the value of prevention and early intervention in the workplace.

Join us as our expert panelists discuss strategies and share real-world experience in building strong foundations in workplace mental health – through job design, management capability and organisational culture.
