The Centre for Aboriginal Health is hosting a **Yarn Up** video event about COVID-19 vaccination which will be featured on the [NSW Health Facebook](#) page on **Thursday 29 July 2021**.

This is an opportunity for you, your colleagues or community members, to ask any questions about COVID-19 vaccination and have them answered by Aboriginal researchers and a Doctor with specialist knowledge in vaccination. **All and any questions you have about COVID-19 vaccination are welcomed** - The Centre for Aboriginal Health will ensure these are answered with the most accurate and current information. As many questions as possible will be answered as part of the Yarn Up and by email if they can't be answered during the event.
